TRAILBLAZER

TIMES

A Weekly Newsletter for Parents and Students

FROM THE HORSE'S MOUTH

Student of the Month

Every month we select a student from each grade level that best exemplifies the Learner Profile from that month. Last Tuesday we had the honor of celebrating the students who were recognized for being Caring and Knowledgeable. We really enjoyed dinner with: Jessica Pardo, Luis Segura, Andres Ramirez, Jennifer Moreno, Marco Leon, Gladys Cortes, Emmanuel Deleon, Nancy Hernandez.

Volunteers Needed

We would like to invite all parents who are interested in acting as a liaison between the Grade Level Chairs and parents of each grade level to complete the application that was sent home last week. We are looking for one parent per grade level to act as the Grade Level Representative and then a number of other parents in each grade level to act as Homeroom Parent(s). Please take a moment to check out the application (additional copies may be found at the front office) and apply if interested!

Trailblazers...

... think the students of today are the leaders of tomorrow

...act in a way that leaves a lasting impression

...are risk takers

THE NEW PARENT TEAM=Triangle Committee

The Triangle Committee is looking forward to meeting the FIRST MONDAY OF EVERY MONTH. Please join us for our second official meeting on Monday, November 1st from 5:30-6:30pm in the College Resource Center (1st floor of the Main Administration Building).

We welcome ALL parents committed to doing "Whatever it Takes" to get our Trailblazers to four year Universities and look forward to hearing new ideas of how to better support our Trailblazers! See you then!

Donorschoose.org and "Waiting for Superman"

There is a new movie in the theatres that documents the journey of students across the nation towards an excellent education. The film features charter schools like YES, and discusses the educational reform efforts that are currently taking place in our country, as well as the struggles that educational reformers deal with on a regular basis. We encourage you to take your family and friends to see this movie. When you do, an online organization that supports teacher programs and classrooms, Donorschoose.org, will donate a portion of the proceeds to a classroom project of your choice.
