TRAILBLAZER

TIMES

A Weekly Newsletter for Parents and Students

FROM THE HORSE'S MOUTH

Pizza with the Principal-Wednesday, October 27th, 5:30 to 6:30 p.m.

Join Bryan Reed (the high school principal) and Holly Wright (the middle school principal) for dinner and a conversation about the current state of school wide initiatives. We spend time updating you and where we are and then have time for Q&A. We will meet in the Great Hall to begin.

Early Release

We are approaching the last week of the trimester—which means that students will be preparing for and taking final exams next week. Students will get out of school early on Wednesday, Thursday and Friday of this week. We encourage you to speak with your students about the exams that they are taking, as they account for a large portion of his/her average.

Trailblazers...

... think the students of today are the
leaders of tomorrow

...act in a way that leaves a
lasting impression

...are risk takers

Monday	Tuesday	Wednesday	Thursday	Friday
Review Day	Spanish Oral Exam MS ELA Free Response	English Exam Science Exam	Math Exam Social Studies Exam	Spanish Exam *6 th Grade Field Trip

THE NEW PARENT TEAM=Triangle Committee

Unfortunately we will not be able to meet on November 1st, as we originally planned, as the 1st is a student holiday. We will move the meeting to Monday, November 8th from 5:30-7 p.m. in the College Resource Room. Please contact Mrs. Wright or Mr. Reed if you have any questions.

Student Holiday on November 1, 2010

November 1st is a teacher work day and a student holiday. Please make sure to mark your calendars accordingly, and enjoy the long weekend with your family time.

CALCULATOR and EXAM SUPPLIES

Students taking the Geometry Final Exam will need to come to school prepared with a standard calculator. Other students know if their exam requires a calculator for their math exam and whether it should be a graphing calculator or not. Please take time this weekend to ensure that your child has what he/she needs to be most successful on the final exams.
