TIMES

A Weekly Newsletter for Parents and Students

FROM THE HORSE'S MOUTH

Middle School Student Movie Night, Thursday, November 18th

On Thursday all Middle School students will have an opportunity to attend a movie night, to honor their hard work so far this semester. Please speak with your student about whether he/she plans on attending the movie, and be prepared to provide your student with transportation home at 6:45 p.m. Students will be allowed to purchase pizza and drinks for a few dollars if they would like.

6th Grade Community Night, Thursday, November 18th

On Thursday 6th grade students will have a Community Dinner for parents and students. Please join us for a time of celebration and delicious food as we partake in a potluck of Thanksgiving. The Community Night will begin at 5 and end at 6 p.m.

Middle School Academic Standing Meeting

We really enjoyed spending time with our 6th grade parents on Tuesday night discussing grades and grade reports. We had approximately 30 parents take part, and we really feel that it was valuable for everyone. Please be on the lookout for information for 7th and 8th grade academic meeting opportunities in early December.

Mandatory HS Credit Recovery Meeting

This Wednesday at 6:30 PM we will host a mandatory meeting for all students who are in danger of possible credit recovery in the high school. We want to make sure that we are all on the same page for the final 3 weeks of the semester. Please look out for an invite and phone call. Contact Mr. Reed or your GLC for more info. Thanks!

YES Prep Fall Parent Survey Results

Thank you to everyone who took time to complete the YES Prep Parental Satisfaction Survey. We want to make sure that we get a chance to hear about things that are and are not working. The results are listed to the right. While we are happy with the positive results we realize that there is plenty of room for growth. We look forward to improving these numbers in the weeks to come.

Homecoming Week 2010

This is a very special week in North Central history. We get a chance to welcome back our first graduating class. All week long students will be participating in different spirit activities including dress up days, a basketball homecoming game and a high school homecoming
