TRAILBLAZER

TIMES

A Weekly Newsletter for Parents and Students

FROM THE HORSE'S MOUTH

Student Activity Fee Update

The deadline for one half payment of the Student Activity Fee (SAF) is Friday, December 3rd. As a school among other costs this money allows us to take trips such as each grade level spring trip. Thanks in advance to everyone who has paid or is planning on paying next week. Please stop by the office for more information.

Student Medication

Students, by law, are not allowed to possess any medication on their person at school. Please bring any prescriptions and over the counter medication to the front office so that we can directly administer to students. Thanks!

Trailblazers...

- ... **think** we are a family oriented school.
- ... **act** in a way that earns the trust of others.
- ... **are** communicators.

Thanksgiving Break

This coming week is a wonderful opportunity for us all to take a step back and appreciate all of the amazing gifts that we have in our lives. We want to thank all parents and families for making YES Prep North Central so great. We have the best students, families and staff in all of Houston, in our humble opinion. Please take some time to enjoy your break and recharge for the final three weeks of the semester. Have a great holiday week!
