TRAILBLAZER TIMES

A Weekly Newsletter for Parents and Students

FROM THE HORSE'S MOUTH

Triangle Meeting March 26th

The first Saturday back from Spring Break we will host our Triangle Meeting at 9 a.m. in the Great Hall. Please join us as we discuss the state of the school and upcoming events. Can't wait to see you!

Spring Break Homework

Over the break your student has important school work to complete in order to keep his/her brain sharp! He/she has been given a handout outlining all assignments. We are in a very critical part of the year, and with TAKS just around the corner, it is necessary that every student keeps up with Spring Break homework. Please ask your child about the assignments and make sure that he/she is devoting a little bit of time each day to completing these items. We appreciate your help!

Community Service

The 5th six week deadline is April 18th, 2011. If your family is staying in Houston, spring break is a perfect opportunity to for your son or daughter to complete the remainder of his/her community service. High School students must have 10 hours completed for the upcoming deadline.

Trailblazers...

...think that learning is the key to ultimate success.

...are ready and willing to work hard.

Mrs. Wright on Maternity Leave

This Friday marks Mrs. Wright's last official day at NC for the 2010-2011 school year. Mrs. Wright is expecting her first baby on March 27th and will therefore not be back on campus in her traditional role until late summer. Please direct any concerns or questions you have regarding the middle school to your child's grade level chair or to Ms. Lisa McClinton who is acting as a principal intern while Mrs. Wright is away.

Days until the class of **2011**

graduates: 88 Days

Happy Spring Break!!!

School Resumes on Monday, March 21st.
